Frequently asked Questions

Why are you joining up as a partnership?

- 1) To improve services for our patients, which will increasingly be delivered across neighbourhoods, working together in co-operation with other partners.
- 2) Ensuring the premises are fit for purpose with the predicted population expansion of 10,000, and the local major regeneration development in Canada Water
- 3) The recruitment, retention, and resilience of clinical staff in an inner city environment.

Will I still be able to see my doctor or nurse that I know?

Yes you will be able to book appointments as now.

Will I have to go to Park/Albion Street instead of my usual surgery?

No, but to access the extra GP appointments available on the day continues to be at Spa Medical Centre
