2017

Spring has arrived. For some this means hayfever symptoms are increased. If you usually have a repeat prescription for hayfever medication you can put a request in at reception. If however, you are pregnant or breast feeding you will need to make a telephone appointment with a Doctor.

New Births

On delivery of your baby it is important that you register him/her with the Practice as soon as possible. Please visit reception who will be happy to arrange this for you

Online Access

Did you know you can access your blood test results, make appointments and request prescriptions online? You will need to bring in photo-id and proof of address to set up your online access.

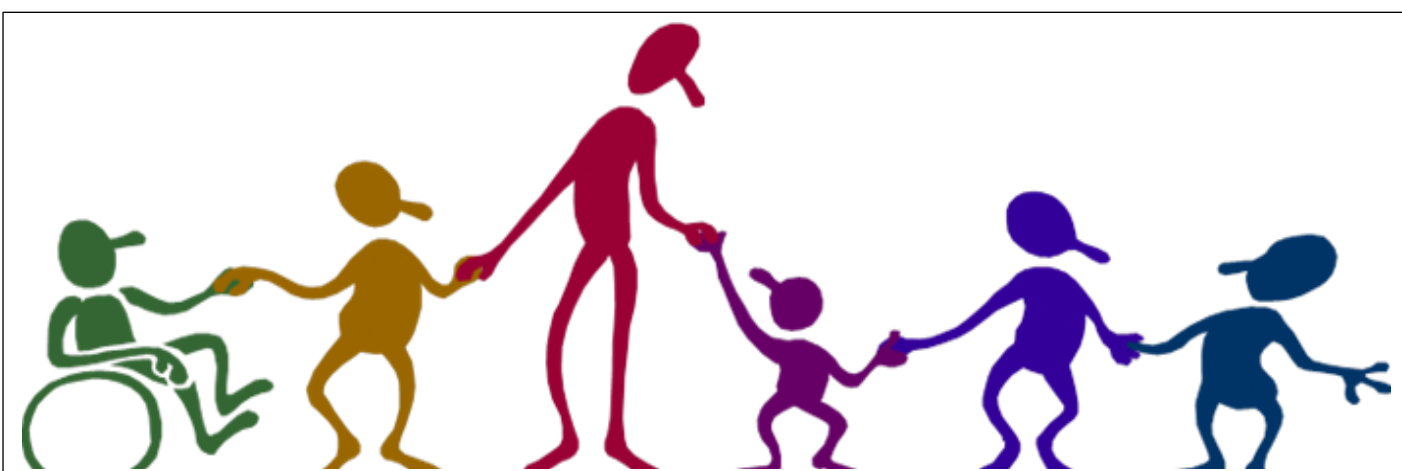

Repeat Prescriptions

There are several ways of getting a repeat prescription.

You can order and collect the prescription from the surgery. Please allow 48 hours. Unfortunately we are unable to take prescription requests over the telephone.

You can register to use our online services to order repeat medication. You will need to bring in photo-id and proof of address in order for us to allow you to have online access.

For electronic prescriptions you will need to register with the pharmacy of your choice. They will be able to request your repeat prescriptions for you.

Patient Participation Group

The PPG aims to be representative of our patient population and give constructive feedback to the practice on developing and improving services to patients. The group can be contacted directly souccg.AlbionstreetPPG@nhs.net.

The next PPG Meeting to be held at the surgery on Thursday 27th April at 7pm. All registered patients are welcome to attend. Minutes of previous meetings can be viewed at www.albionstreetgrouppractice.co.uk

Comments or suggestions;

are welcome from all our patients. There is a "suggestion" box in the main reception area and another on the first floor. These are reviewed regularly at staff and PPG Meetings

We will be closed between 1-4pm on the 3rd Thursday of every month for Staff Training

Goodbye to Brid Candy, One of our Advanced Nurse Practitioners. Please be aware there will be fewer appointments to offer while we are recruiting a new member of Nursing Staff.
