

ALBION STREET GROUP PRACTICE
NEWSLETTER Winter-updated 19/20
www.albionstreetgrouppractice.co.uk

Next Patient Participation group meeting is on Thursday February 27th at 2pm
All registered patients are welcome
The PPG aims to be representative of our patient population and give constructive feedback to the practice on developing and improving services to patients. The group can be contacted directly souccg.AlbionstreetPPG@nhs.net

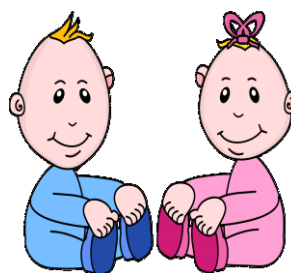

We are closed between 1-4:30pm on the 3rd Thursday of every month for Staff Training.

We reopen at 4:30 pm for routine appointments only.

In an emergency please call NHS111.

If you are calling to cancel an appointment please leave a message on 020 3049 7131.

Is your child due any immunisations?

Book the appointment with the nurse. There are Saturday appointments available at Bermondsey Spa Medical Centre if that is more suitable. Speak to reception to book appointments

LADIES SMEAR TESTS

YOU CAN BOOK YOUR SMEAR TEST ONLINE NOW USING THE MYGPapp or if you prefer book at reception. We also have appointments available at Bermondsey Spa Medical Centre on a Saturday and Sunday.

Changes to Cervical Smear testing

The laboratory is testing all cervical smear tests for HPV. This is a more accurate way of identifying who may be more at risk of cervical cell changes or cervical cancer. Your appointment and how the test is done is exactly the same.

Travel Clinics Information

You need to contact us six weeks prior to departure otherwise it is unlikely that we will be able to offer you an appointment due to limited availability of clinics. Please complete the travel clinic form (from reception or our website) with your trip details and email address. You will be emailed with the advice and may contact reception to make an appointment if it is appropriate and provided by the NHS. You may need to go to an external travel clinic for your vaccines.

Malaria tablets are available on a private prescription, from online pharmacies such as travelpharm.com or over the counter at the pharmacy.

Welcome to

Dr Krishna Misra who is with us until the end of March, Dr Emma Noble with us for 6 months and our new Receptionist: Kudyjha Khatun.

There is still time to get your flu vaccine if you missed it. Please ask at reception.
